# Welcome to Groupe Babilou's Daycare Facilities

## About us

Specialising in early childhood since 2003, Groupe Babilou welcomes your children in Babilou and Cap Canaille daycares (list of daycare centers in Annex), designed to ensure the well-being and safety of your children. Our pedagogical program promotes self-esteem and life skills, while respecting each child's own pace. Our childcare professionals work every day to improve the quality of care in our daycares. You can register in one of our daycare centers wherever you live. The services provided by Groupe Babilou facilities play an active role in balancing family and professional life.

## Our values

Five core values serve as inspiration in our daily lives and our interactions with our teams, our business partners and the children enrolled in our daycares:

- Kindness** Being attentive to and respectful of others, looking after the well-being of children and their parents, supporting our professional staff, the companies which trust us and our partner nurseries and day care centres.
- Commitment** Being mindful that parents intrust us with that which is most precious to them, and that our actions affect the well-being of children and their families. Being aware of our responsibilities. Commitment to the development and fulfilment of our teams.
- Diversity** Remembering that social diversity, the different profiles of the children enrolled, and different opinions are valuable. We are committed to maintaining this diversity.
- Quality** Constantly striving to improve in the care we give to children and their families, the welfare of our employees and the satisfaction of our clients. As part of this process of continuous improvement we need to be willing, action-oriented and we must avoid making assumptions.
- Team Spirit** Believing in the talent and intelligence of each one of us and in collective responsibility. We consider that working together is a strength and that everyone can bring something to the table. We need to be supportive and share our difficulties and successes so we can grow together.

## How Our Daycare Centers Work

### Article 1. Opening hours

Opening hours Please refer to the rules of the daycare center in which your child is enrolled for opening hours and closing times.

### Art. 2. Annual closing

Holidays Please refer to the rules of the daycare center in which your child is enrolled to find out the official closing dates.

Public holidays All daycares are closed on official cantonal and national public holidays. Our daycare centers also take a long weekend on the Friday after Ascension Thursday. On the last working day of the year, our daycares close at 5.30 p.m.

Other Once a year, Groupe Babilou daycares organise a Pedagogical day. This day is an opportunity for our professional team to get together and work on important childcare themes. The Director of the daycare will inform the parents of the date of the next Pedagogical Day as soon as it is known.

Billing Holidays, the Ascension long weekend and the Pedagogical Day are not refunded or exchanged and do not give rise to compensation.

### Art. 3. Meals / Food

Caterer Every day a catering service delivers meals for children (lunches and dinners). The meals are well-balanced and overseen by the caterer's dietician.

Diets Groupe Babilou believes in respecting everyone's cultural and religious beliefs. On request, the meal of the day may be replaced by a substitute or a vegetarian meal.

Baby Food Because each child's needs are different, we ask parents to provide powdered milk and baby cereals for their child. It is also possible, on request, to bring breast milk or to breastfeed your child in the daycare in a space specially designed for this purpose.

There is no financial compensation for the supply of baby milk and/or cereals by parents.

Allergies In order for food allergies and intolerances to be taken into account a medical certificate must be provided. To be considered valid, the medical certificate must contain the following information:

- Doctor's contact **information**
- Precise identification of the food to which the child is allergic or intolerant
- Description of symptoms should the food be swallowed or if there is contact with the food
- Procedure to be followed if the food is swallowed or if there is contact with the food.

Allergies and special dietary requirements are communicated to the caterer.

Special cases We do our best to ensure the child's safety in case of allergies or intolerances. Nevertheless, in the event that the allergy is so severe that it would require the mobilisation of resources that our daycares do not have, we reserve the right to refuse the registration of the child or to cancel their contract. Child safety first.

## How We Care for Your Child

### Art. 4. Settling in period

Mandatory The settling in period is essential to ensure the continuity of care that a child needs, whatever their age. For this reason, it is mandatory.

Procedure The settling in period usually lasts 5 days, but may last longer (maximum 10 days), depending on the needs of the child and their parents. We believe this is an essential step, during which it is important that parents make themselves available.

Invoicing Invoicing starts from the first settling in day, which marks the beginning of the contract between families and the daycare. The settling in period will not give rise to any financial reimbursement or compensation, even if, during the settling in period, the child is present for fewer hours than stipulated in the contract.

### Art. 5. Frequency of attendance

Frequency In order for a child to be successfully integrated into a group, we recommend they be present for at least one full day or 2 half days per week. However, other attendance options are possible depending on availability and in agreement with the Director of the Daycare.

Tariffs We can welcome your children according to your needs: full day, morning plus meal or just the afternoon (without meal).

Max attendance While we make every effort to make your child's day as enjoyable as possible, we ask parents not to leave their child for more than 10 hours a day in our childcare centers.

### Art. 6. Absences

Notice The family should inform the educational team if their child will be absent as soon as they are aware of it, and at the latest by 9.00 a.m. the same morning. Days of absence are not refunded, replaced or compensated.

### Art. 7. Vacation

Minimum The child must take a minimum of 4 weeks of vacation per calendar year, including the vacation weeks of the daycare that he or she attends. In order to know the mandatory vacation weeks (closures) of the daycare that your child attends, please refer to the center's rules of operation.

Should the family take more vacation than the minimum required, the corresponding pension fees will not be reimbursed nor compensated.

Should the family take less vacation than the minimum required, they will be invoiced extra fees at the end of the calendar year. Random days of absence are not counted as vacation days.

Prorata	If the child has not attended the daycare for the entire calendar year, the <u>minimum</u> number of mandatory weeks of vacation is recalculated on a pro rata basis.
Notice	The child's holiday weeks must be communicated to the Director as soon as you are aware of them and no later than the 25th of the month preceding their due date. We ask you to use the "Extra days and holidays" form, available in all Groupe Babilou's facilities and in the Annex to this document.

## Admission Conditions

### Art. 8. Admission process

Application	1. Any admission begins with a visit to our daycare centers. To request a visit, we advise you to fill in our visit request form, available on our website ( <a href="http://capcanaille.ch">capcanaille.ch</a> or <a href="http://babilou.ch">babilou.ch</a> ).
Date of Visit	2. Once we have received your completed questionnaire, we will contact you within 48 hours to confirm that your request has been taken into account. Depending on the desired start date, and the availability of places in the requested daycare, we may either offer you a visit date OR register you on our waiting list.
Before the visit	3. Before the visit, we will email you the Group's General Terms & Conditions and the operating regulations of the center that you will visit. We urge you to read these documents <u>before visiting the daycare</u> .
After the visit	4. Following the visit, you will receive a pre-admission form to be completed, named "Application for pre-admission" along with a payment slip to cover the cost of processing your file.

If the daycare meets your expectations and you want to apply for a place, simply return the completed and signed "Application for pre-admission" form and pay the fees for processing your application using the payment slip. The payment of this fee is mandatory in order to process of your request.

Availability	5. Once your form and payment have been received, Groupe Babilou's General Administration will contact you to check the accuracy of the information provided in the form and to offer you a place, depending on availability.
--------------	---

Should our availability not match your request, we will offer to place you on the waiting list and you will be notified as soon as a place becomes available for your child. **Please note that the fee for processing your file will not be refunded, regardless of the outcome of your pre-admission application.**

- Contract 6. Following this contact and after acceptance of the admission arrangements proposed to you, the General Admin will email you two copies of the contract to be signed and returned to the General Admin headquarters.
- Response time 7. You have **5 calendar days** to return your signed contract in 2 original copies (date as per postmark). After this deadline, the General Admin will consider that you no longer wish to pursue. The reservation will be cancelled with immediate effect.
- Signature 8. If you have returned your 2 signed copies within the stipulated period, you will shortly receive the contract for your child, duly countersigned by the General Admin as well as the corresponding invoices.
- Payment 9. The payment of those invoices marks the definitive reservation of the place within the daycare.
- Interview 10. One month (at the earliest) before the start of the contract, the team at the daycare will contact you to schedule a welcome meeting and plan your child's settling in period.

### **Art. 9. Elements required for the child's records**

Child's records By the first day of the settling in period at the latest, parents must have submitted the following documents:

- A medical certificate issued by a paediatrician or a family physician attesting that the child is well enough to integrate a daycare environment;
- A copy of the child's health-accident insurance card or contract
- A copy of the family's civil liability insurance (RC in French)
- A copy of the child's immunisation record

These documents must be updated at the beginning of each calendar year and submitted to the Director of the daycare.

- Other Documents On the first day of the settling in period, parents will also be asked to sign:
- A parental authorisation for any other person who can pick up the child (no minor will be allowed to take a child)
  - The name and contact information of people to be notified in case of emergency
  - The rules of the facility which the child will attend

## General Fee Conditions

### Art. 10. Fees for submitting an application

The fee for submitting an application is CHF 250 per child. The payment is mandatory to the processing of the family's request. It is due and non-refundable, regardless of the period and the outcome of the application.

### Art. 11. Advance payment to reserve a place for your child

A place can be reserved at any time, provided the following conditions are met:

**From 0 to 6 months** If the reservation of the place (attested by the date of signature of the contract) precedes the beginning of the child's contract start date (date of start stipulated on the contract), by 0 to 6 months, we require the first two month's fees to be paid in advance.

Should the family withdraw from the contract, this amount will not be reimbursed.

**6 months or more** If the reservation of the place (attested by the date of signature of the contract) precedes the beginning of the child's contract start date (date of start stipulated on the contract), on the contract), by 6 months or more, we require the first three months' fees to be paid in advance.

Should the family withdraw from the contract, this amount will not be reimbursed.

### Art. 12. Rates

**Monthly payments** The calculation of your child's monthly fees is based on a 48 week year, i.e., 4 weeks per month.

**Calculation** Your child's monthly fees are calculated as follows:  
(Price per day) x (Number of days per week) x 4

If the child arrives after the beginning of the month, the fee calculation is based on the number of days spent in the daycare between the start date of the contract and the end of the month.

**Rates** The monthly rate is indicated on the contract. The figure is full price. It does not take into account any special discounts or cantonal or communal subsidies.

For the exact cost per day or half-day, please refer to the document entitled "Rules and Regulations" of your child's daycare.

**Fee increase** The fee charged may be re-evaluated upwards, subject to two months' notice at the end of a month so as to allow families who wish to do so to withdraw from the contract. The change of rate will be communicated to all families in writing (mail or email).

### Art. 13. Invoicing terms

Calendar To reduce the amount of mail sent to families, regular fee invoices, invoices for extra days, and any corrections to invoices are sent once a month, around the 10th of the current month.

*Example: Around the 10th August, you will receive the invoice for any extra days in July and for any corrections made to the invoice for the month of July (Invoice n°1), the invoice for any corrections made to the invoice for the month of August (Invoice n°2) and the invoice for September (Invoice n°3).*

Email In order to reduce our environmental impact all invoices are sent by email. We ask parents to inform the General Admin of any changes to their email address as quickly as possible.

### Art. 14. Payment of invoices

Due date **Invoices relating to fees for the coming month are due in the current month, before or at the latest on the payment date indicated on the invoice.**

*Example: Invoices issued around the 10th of July are due between 25th and 31<sup>st</sup> of July, and at the latest on the payment date indicated on the invoice. Failure to pay is just cause for terminating your child's contract.*

Terms Parents should use the Payment Slip (BVR in French) attached to the invoice.

### Art. 15. Late payment

Penalties In the event of late payment, the family will automatically be invoiced a reminder fee: **CHF 20.00 for the first reminder and CHF 40.00 for the second.**

Legal proceedings In the event of non-payment and even without any reminder, we reserve the right to initiate legal proceedings, in accordance with current law. We also reserve the right to refuse the child's admittance to the daycare.

### Art. 16. Subsidies

City Councils We work closely with several city councils to provide childcare subsidies. Subsidies are subject to the submission of a dossier and its acceptance by the local council concerned.

Our Families Registration Service will be pleased to explain the conditions attached to subsidies in the concerned municipality, as well as the steps to be carried out to obtain them.

Fees w/o SUB The fees we apply are exclusive of subsidies.

Notification The beneficiaries of subsidies are obliged to notify to the General Admin of all changes in their professional or family situation, as soon as they have knowledge of them. Not notifying the General Admin at once may cancel the above-mentioned subsidies.

## Art. 17. Occasional or emergency care

Assistance	<p>Our daycares can occasionally accommodate children outside of their usual schedule on condition that the necessary levels of supervision are respected and that the group does not become unbalanced.</p> <p>The request for assistance must be made in writing to the Director of the daycare, using the "Additional days and vacations" form (see Annex) which is available at the entrance of your daycare. The Director of the daycare will make a decision as soon as possible according to the available places.</p>
Billing	<p>Emergency care or extra days are billed as irregular attendance.</p> <p>In no case may a parent exchange a regular day provided for in the child's contract against an extra day on another day.</p>
Cancellation	<p>The request for occasional assistance can be cancelled free of charge one week in advance. After this period, it will be invoiced, whether it is used or not.</p> <p><i>Example: An assistance day requested for a Wednesday may be cancelled up to 11:59 p.m. on the previous Wednesday. From Thursday, even if you cancel, you will be charged for the service.</i></p>
Emergency	<p>In case of emergency, the daycare can accommodate an unregistered child until a solution is found. One solution may be the establishment of a fixed-term contract. In the absence of a contract, the invoicing terms for assistance days apply.</p>

## Art. 18. Irregular attendance

Conditions	<p>Some of our daycares offer families irregular attendance contracts. Priority is given to hospital staff. In all cases, the application for such contracts is subject to validation by the Director of the daycare.</p> <p>In the case of irregular attendance, families are requested to choose a fixed number of irregular days per week (1 to 4). The days when the child will attend the daycare can then vary from one month to the other.</p>
Attendance days	<p>Families are required to transmit the days of attendance to the Director before the 15<sup>th</sup> of the preceding month, using the "Notification of irregular days" form (see Annex). This is necessary for the daycare to be properly organised.</p>
Rates	<p>Irregular attendance contracts are subject to special fees. To find out about our rates for irregular days contracts, please refer to the rules &amp; operating procedures of each site.</p>

## Art. 19. Reductions for siblings

2 children	<p>We grant a 10% discount to families with two children attending one or more of our daycares (Babilou and / or Cap Canaille) at the same time</p> <p>The 10% discount applies to the invoices of the two children concerned, for as long as they are both attending daycare. The discount naturally ends when one of the children leaves.</p> <p>The discount applies only to contractual services (regular fee invoices). It does not apply to extra days or administrative processing costs.</p>
------------	--

3 children & over We grant a 15% discount to families with three or more children hosted simultaneously in one or more of our daycares (Babilou and / or Cap Canaille). The 15% discount is applied to the invoice of each of the children concerned, from the moment they are attending daycare. The discount naturally ends when one of the children leaves.

The discount applies only to contractual services (regular fee invoices). It does not apply to extra days or administrative processing costs.

### **Art. 20. Delay in picking up child**

Penalties For the proper management of the daycare, we ask parents to pick up their child no later than ten minutes before the official end time of their child's contract (after lunch or at night). All tardy departures will be billed CHF 15 per quarter of an hour or part thereof.

### **Art. 21. Extra hours**

Definition In order to better help you organise your family life, we can sometimes accept a child in a daycare for one to two hours as an exception or in addition to the usual attendance of the child. This service must however remain an exception.

Tarif This service is charged CHF 30 per hour or part thereof.

## **Contract Conditions**

### **Art. 22. Change of contract**

#### **During contract period**

Terms The contract may be modified subject to the receipt of the "Change of Attendance" form in the Annex and the prior agreement of the Director of the daycare. Once validated, you will receive an addendum to the initial contract to be returned signed within a few days.

Time in the year No decrease in attendance can take effect between the 1st of June and the 31st of December included each year, except in exceptional cases and based on relevant documentary evidence. The General Admin is fully responsible for evaluating the situation, choosing to accept or to refuse a derogation request. As an example, family vacation is not considered as exceptional situation.

*Example : A written decrease in attendance request submitted in April (the reception date of the request being taken into consideration) will be effective as of Septembre 1st.*

An increase in attendance request can be submitted without restriction throughout the year.

Lead times Increase in attendance: immediate effect (subject to availability).
